## SPRING RACES.

Name of the North Texas Circuit for the April Meeting.

Programmes for the April meeting of North Texas circuit are out and been pretty well distributed.

Prospects for the meeting are very good.

All visitors to the fall meetings pleased themselves highly satisfied with the management of the tracks and events and a determination to book in the spring. There were hundred horses participating, the spring meeting will see a large number.

The races have been so arranged that there will be a long gap between the close of the racing at Sherman and the Memphis meeting to insure the attendance of a goodly number of the first-class horses in the circuit. The tracks at all those included in the circuit—Gainesville, Fort Worth and Sherman—are ones that here being the fastest in the state of Texas, and track authorities will have a chance for a record of them. Texas is destined to be best bid in the country for turf and the approaching spring meeting will doubtless aid materially the increase of the general interest.
